## Duane Bolinger - *Managing Director, BBK Shanghai*

Based in Shanghai, Duane leads BBK's presence in Asia Pacific. He is a results-oriented executive with more than 30 years experience in the automotive and automotive components environment. Duane brings to BBK his experience in corporate finance, due diligence, operations, purchasing, supplier development, strategic planning and launch/project management.

### Professional Experience

Duane's senior roles with automotive components companies have included Managing Director – Asia Pacific, Corporate Finance Director, Business Line Executive and Global Purchasing Director. He has also been Commodity Purchasing Director, Information Technology Director and Director of Strategic Planning for General Motors Worldwide Purchasing and Production Control.

While Duane was the Managing Director – Asia Pacific, he was responsible for establishing a technical, sales, manufacturing and supplier base for an automotive components company resulting in a successful booking of five times revenue—three years in a row.

In his most recent assignment as Corporate Finance Director, Duane had oversight of an enterprise-wide SG&A reduction program that resulted in approximately US \$500M annual savings.

As a Business Line Executive, Duane had profit and loss responsibility for a US \$1.2B global business unit, and as Global Purchasing Director, he was in charge of procurement and supplier quality/development for a US \$3B division.
