

### Background

- Healthcare
- Senior Living

## Steve Wuitschick - *Senior Director, BBK Chicago*

Steve brings to BBK over 32 years of experience and a proven record providing leadership to senior care organizations, including emphases in strategic thinking, operational efficiencies, development, construction, and financing.

### Professional Experience

Prior to BBK, Steve was the President and CEO of the Franciscan Sisters of Chicago Service Corporation (FSCSC) – which through its operating division, Franciscan Communities, operates 17 senior living communities. In 2006, Franciscan Communities was ranked as the fifth fastest growing senior health and housing system in the nation by Ziegler Capital Markets Group (which monitors the senior living industry). In this role, Steve had system-wide responsibility for the development and execution of strategy, as well as financial performance, associate development and customer satisfaction. He worked closely with affiliate boards, regulators, members of the religious congregation, other service providers, trade associations, associates and canonical authorities.

Before joining FSCSC, Steve served as Senior Vice President and Chief Operations Manager for American Baptist Homes of the West (ABHOW) in Pleasanton, California. His responsibilities included coordinating CCRC operations functions and activities with all other functions of the organization to obtain optimum service and productivity levels. Through strategic planning, strong fiscal management, effective resident and board relations, and continuing development and education of staff, ABHOW became a nationally known non-profit organization within the senior living industry.

### Education and Certifications

- Master of Science, Center for Studies in Aging, University of North Texas
- Bachelor of Science, Psychology and Philosophy, Central Washington University
